UPDATING SPECIFICATIONS AND STANDARDS (Dec 1996)

(Applies if value of contract is \$100,000 or greater)

If The contractor has a contract, or multiple DoD contracts, that incorporate outdated or different versions of military specifications or standards, the contractor may request that all of its contracts be updated to the latest version of the applicable specifications or standards. Updating must not affect the form, fit, or function of any deliverable item, or increase the cost to the government. The contractor may submit updating requests through the administrative contracting office to the responsible contracting officer and shall perform the contract in accordance with the existing specifications and standards until notified by the administrative contracting officer that updating is approved.
